WORK EXPERIENCE

Wells Fargo, San Diego - *Commercial Relationship Manager*
JUNE 2018 - JULY 2021

- Managed a portfolio of commercial banking clients, tasked with growing client's businesses, and managing risk by analyzing our client's financials on a quarterly basis.
- Managed a cross-functional team to accomplish sales and risk analysis goals.
- **Accomplishments:** Developed a streamline way of underwriting credit by creating a workflow tool using Excel/VBA to better manage the credit process in a cross-functional team setting.

Wells Fargo, San Diego - *Sr. Business Banking Specialist*
NOVEMBER 2014 - MAY 2018

- Managed and grew a book of 250 small business clients within the community bank.
- Maintained relationships with clients at CEO/CFO levels and handled all customer requests/complaints while managing risk for customers.
- **Accomplishments:** Maintained top performer in San Diego for three consecutive quarters and successfully pitched an idea to create an e-sig process to the companies internal idea board, which was a catalyst to the company implementing DocuSign features.
